€ 60.000

Ref. ITMZVD0427

600 sq.m | Bathrooms: 3 | Bedrooms: 5 | Rooms: 10

Near the Santa Maria di Mazara del Vallo area we propose this ancient 19th century beam to be recovered with an outdoor area of 2000sqm with pine forest.

Immersed in the cultivation of fine vineyards we find this ancient "baglio" farmhouse of 600sqm now in ruins and totally to be recovered.

The ancient layout of the plant was composed of an area on the ground floor and an area on the first floor from where you can certainly enjoy a splendid view of the neighboring rural area.

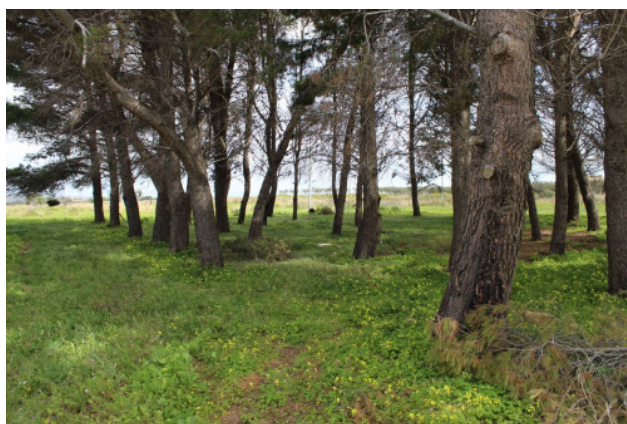

Part of the land is a pine forest of about 1000 square meters which is located right in front of the building which gives a sense of relaxation and coolness during the hottest periods.
